**Hello Class 4 & Parents/Carers!**

We are now on the home stretch of completing Year 4. I am very proud of all of the children with how far they have grown and developed over the course of this year. Below is a summary of what to expect from your child's learning over the next two terms.

We will use our Talk for writing process for this in order for the children to dig deeper into a piece of text.

**Just a Few Things to Remember...**

- The children need to bring a named water bottle to school, as they are unable to use the water fountains. These should only contain water and we will do our best to remind the children to take them home every day for washing and refilling.
- Children to continue to wear their PE kit on Mondays and Wednesdays.

Children who are reading scheme reading books will bring a home reading book every **Friday** to be returned to school on the following **Tuesday**.

Children who are reading a chapter book will have this in their possession to read at home and at school until they reach the end of it. They will keep this in their tray at school during the school day so that just they handle it.

Please do ask if you have any questions about our daily routine or topics.

Many thanks

**Mrs Fairhurst**
