

Class 6 Newsletter

Terms 5 & 6

Dear Parents and Carers,

Welcome to your child's final two terms at St Margaret's at Cliffe Primary School. We are focusing on our maths and English learning over the next few weeks before we sit our SATs tests in the week beginning Monday 9th May. The children have worked very hard to ensure they are familiar with the test format and that they are ready to sit these tests.

After the SATs, we can begin looking into lots of the exciting opportunities that the end of year 6 brings. 'Bikeability' is always popular among our year 6 children – please do look out for letters to book in for that. We will also be beginning to work on our end of year production, to be performed at the Village Hall in July. We are looking forward to our swimming sessions up at Dover Leisure Centre on Tuesdays too.

In term 6, the secondary schools usually send a member of their team here for an informal visit to talk to the children. This is a good way for the children to meet a friendly face and to ask any questions they may have about their new schools.

Year six staff are busy finalising plans to be able to give your children a memorable final term and the send-off they deserve into their secondary school lives. Please look out for further details coming in the next few weeks about our plans.

As always, if you need to speak to me, please arrange a telephone call with me via the school office or send an email to secretary@st-margarets-dover.kent.sch.uk and it will be forwarded to me.

Miss Brett

Reminders:

Swimming will be on (most) Tuesdays and PE will continue to be on a Friday.

PE lessons will take place outside, usually on the school field. A spare pair of socks would be an excellent addition to the PE kit as sometimes, after our morning PE session, feet can become a little damp from the dew on the grass. As always earrings need to be removed for PE.

Please ensure your child remembers to bring their coat each day (even if it looks warm in the morning – the weather can drastically change by lunchtime!) as well as their water bottle. Our fountains remain out of use.

Thank you!

Request!

As the weather warms up, the children spend more time outside and take their jumpers off at break time. Could I please ask that you double check your child's names are in jumpers as it can be difficult returning jumpers to their rightful owners after a warm lunch break!

Thank you!
