

Message from the Headteacher

Musical Showcase

Parent/carers from Year 5, and of some children who have been having instrumental lessons this year, came together for a musical showcase this week. It is always a delight to hear the progress each year. Thank you to all those who took part in performing. Learning instruments through the pandemic has been challenging, with lessons cancelled or moved online and no opportunities to play together; I am hoping that many of the children will start to learn instruments in September so that next year's showcase will come back even stronger with lots of children feeling confident to perform to an audience.

Deal Learning Alliance Swimming Gala

Renon, Chloe, Samuel (Year 5) and Matthew (Year 4) showed off their swimming prowess yesterday, taking part in a swimming challenge at Hornbeam Primary School, along with other schools from across Deal. Mrs Hindle is very proud of how they embodied our school values of resilience, respect and responsibility. There were some very strong individual swimmers in the pool, but the St Margaret's team, were exactly that - a team! They fought for every point and finished in joint first place, which was a huge achievement. Well done to them, they were a credit to the school.

Reception Class and St Margaret's Nursery Sports Afternoon

The summer weather was with us on Thursday afternoon when we held our Reception Class & St Margaret's Nursery Sports Afternoon. Mrs Collins reports 'We had a wonderful afternoon for our joint Sports Day with St Margaret's Nursery. Thank you so much for all your support. The children thoroughly enjoyed themselves. It was lovely to see the Mums and Dads racing too. It was only a little bit competitive between the Dads! Miss Woodward and I are extremely proud of all the children. Their enthusiasm was inspirational.'

PTFA Summer Fete

At the time of writing members of the PTFA are busy setting up for our fete today. Huge thanks to all involved in working to re-establish this annual event. We are looking forward to a full calendar of PTFA fundraisers next year.

Message from Class 1

Hello everyone 😊! News from Year 1 this week . . . we have been working hard learning our numbers to 100, counting forwards and backwards together. We are super learners in maths! Great work Year 1 we are very proud of you.

We have also started our art work for this term, all about printing. This week we have been exploring with leaves, using them to create beautiful prints in rainbow colours. Our art work looks amazing - well done Year 1 for another fantastic week of learning in the warm summer sun! Thank you for being such super learners all year long.

Coronavirus Symptoms

On Tuesday 29 March, the Secretary of State for Health and Social Care, Sajid Javid, set out the next steps for living with COVID-19 in England from Friday 1 April.

Updated guidance

Children and young people who are unwell and have a high temperature should stay at home and avoid contact with other people. They can go back to school, college or childcare when they no longer have a high temperature, and they are well enough to attend. Children and young people with a positive COVID-19 test result should try to stay at home and avoid contact with other people for 3 days, which is when they are most infectious.

Adults with the symptoms of a respiratory infection, and who have a high temperature or feel unwell, should try to stay at home and avoid contact with other people until they feel well enough to resume normal activities and they no longer have a high temperature. Adults with a positive COVID-19 test result should try to stay at home and avoid contact with other people for 5 days, which is when they are most infectious.

Star Awards

w/e 17th June 2022
