'For Learning That Lasts A Lifetime'

1st November 2022

Dear Parent/Carers of Class 6

During the week beginning 7th November, Class 6 will be spending daily sessions exploring and learning in our forest school.

Whilst at the forest school the children will have the opportunity in small groups to climb 'The Climbing Tree' under strict adult supervision. In order to do this, the children must be wearing trainers and not wellies for that day. Children are encouraged to bring, and leave in school, their wellies and trainers for that week.

Hopefully the weather will be on our side and will stay dry. Please could you ensure that your child has the following items with them for their forest school sessions.

- Wellington boots/trainers – (if you would like to send in an older pair of trainers please do as I can't guarantee they won't get a little muddy). We will be changing in to these before we adventure up to forest school.
- Water resistant/water proof coat– being outside for an extended period of time, it may get cold and could also potentially start raining although we hope this term will be a sunny one!
- Trousers/tights – on days which are a lot colder than normal, I would suggest that trousers are worn or tights just for that extra layer of warmth. Longer clothing may also protect against grazes and scratches from vegetation.

The children are very much looking forward to working in our forest school and I'm sure your child will come home detailing all the wonderful things we have learnt.

Yours sincerely

L Brett
