Class 3 Newsletter Terms 3 & 4 2023

Mr Wratten & Miss Allan

Dear Parents and Carers,

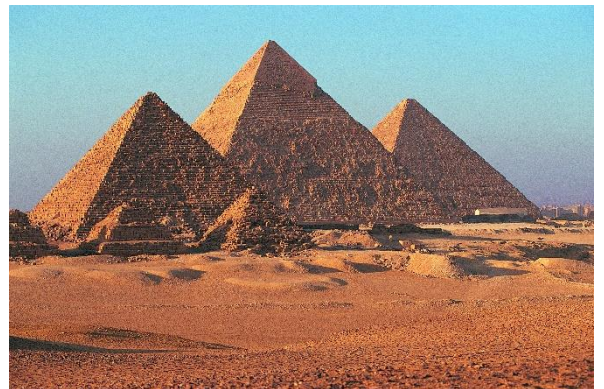

I would like to firstly wish you all a Happy New Year! I hope you have all had an amazing Christmas and a well earned break and that the children are feeling recharged ready to continue into terms 3 and 4 with their usual enthusiasm and effort!

This term PE will continue to be on Tuesdays and Fridays and we will be doing athletics and gymnastics. The children will therefore need some black plimsolls for our inside PE lessons as well as some extra warm layers for outside. Please add some extra leggings, tracksuit bottoms or a long sleeved top if you wish to do so. Socks are a particularly useful addition for girls who are wearing tights.

In Term 3

In our History topic we will be identifying the achievements of the earliest civilizations. This term we will be covering the Ancient Egyptians and explore the life of an Egyptian in one of the world's first civilizations.

We will also be visiting the British Museum in London this term (12th January 2023) to aid with our research into the life of Ancient Egyptians.

Forest School

We have forest school the week commencing on the 9th of January. Please can the children bring some extra layers to stay warm outside. A change of shoes is also necessary please bring either a spare pair of trainers or wellies.

If you have any questions please do ask.

I will be available at the door in the mornings and afternoon.

If you would like more time an appointment time is always available through the office.
