### Message from the Headteacher

#### A long goodbye!

The Leavers' Service for our Class 6 children on Thursday was well received by all. The children were each presented with a gift from the school governors – this year a copy of Phil Earle's 'When the Sky Falls' in recognition of work completed about World War 2 earlier in the year. They also received a copy of the yearbook the class has produced with memories about all members of the class – a lovely keepsake. I am proud of the achievements of each of our marvellous Year 6 class and we wish them every continued success during the next stage of their education.

We also bid farewell to Mrs Fairhurst and Mrs Cross today as they each embark on the next step in their careers; I thank them both for all they have each given to St Margaret's CEP.

#### Reception Class Stay and Play

On Tuesday, Reception Class staff and children hosted our final stay and play of the year. The children each 'graduated' from the early years in front of their families. The class and their parents then enjoyed activities, such as making their own lemonade and fruit salad, building sandcastles, and enjoying the activities our classroom has to offer. A huge thank you to all parents for making this such a special occasion.

#### Family Picnic

With true British grit we were determined not to be defeated by the wet weather and carried on regardless with our picnic plans! We re-sited to the playground to avoid the wet grass and were still able to enjoy hot dogs cooked by the governors and ice-cream from Melvin's van. Thank you to all involved.

I wish all families, children and staff a long and relaxing summer and look forward to seeing those of you who are returning in September.

Helen Comfort – Executive Headteacher

### Message from Class 3

As this academic year comes to an end, Class 3 have been remembering all the fabulous things that they have done this year. From school trips to in class learning, we have had a fantastic time together. This week we have been finishing off our bionic hands in science, completing the last few lessons of maths and finally writing our last story of Year 3.

I wish you the best of luck in year 4 and hope you continue to grow, develop and shine bright!

Mrs Fairhurst

### Enjoy the summer holidays.

Remember: Children return to school on  
 Tuesday, 5<sup>th</sup> September 2023

Remember – the beginning of the summer holiday is the time for children to have ears pierced if they so desire so that they will heal in time to be removed for school PE.
