

English

The Secrets of a Sun King is a novel about a girl from London who becomes an unlikely heroine in a quest to break an ancient curse that threatens her family. Her quest takes her to Egypt. She forms good friendships and solves mysteries about her life and the life of the young pharaoh, Tutankhamun, who lived 3000 years ago.

DT – Tomb builders

This project teaches pupils about simple machines, including wheels, axles, inclined planes, pulleys and levers, exploring how they helped ancient builders to lift and move heavy loads.

RE

In our RE unit of work, pupils will look at the life of Jesus and how he was inspiring to others.

PSHE

Pupils will learn how to build positive, healthy relationships and how they can positively cope with change.

Music

Pupils will focus on two instrumental units based in India and North America.

Maths

Children will be taught how to compare and order decimals, they will also cover the following units, including money, time, shape, statistics, position and direction.

Badgers Class

Learning Overview Terms 5 & 6 2024/25

History

In the **Ancient Civilisations** project, your child will learn about the history of three of the world's first ancient civilisations: ancient Sumer, ancient Egypt and the Indus Valley civilisation. Children will learn about the rise, life, achievements and eventual end of each civilisation.

Science

In the **Electrical Circuits and Conductors** project, pupils will learn about electrical appliances and safety. They will also construct simple series circuits and name their parts and functions, including switches, wires and cells. Pupils will have opportunities to investigate electrical conductors and insulators and identify common features of conductors. It also teaches children about programmable devices. They combine their learning to design and make a nightlight.

Computing

Next term, pupils will learn about logo programming and how to make music.

Art & Design – Islamic Art

This project teaches children about the techniques that artists use when composing landscape images, such as colour and atmosphere.

PE

Next term, your child will receive swimming lessons. They will also develop a range of skills in athletics and rounders.
