

For Learning That Lasts A Lifetime

10th July 2025

Dear Parents of Owls Class

After the children's tremendous efforts with the ticket sales for the end of year production, they have managed to cover the costs of the village hall, play script, licence and props and still have some money to spare.

As a result, we would like to use this money to make a pizza lunch on **Wednesday, 16th July** as part of our special end of primary school celebrations with the children.

Each child will be able to make their own personal pizza with a range of toppings of their choice. This will be cooked in a pizza oven on site and then eaten. We will ensure there are vegetarian and dietary requirements taken account of.

If you would prefer for your child not to take part in this at all, they can of course bring their own packed lunch to school on Wednesday as normal or order a school dinner.

Please do not hesitate to contact me if you have any queries.

Yours sincerely

K. Byatt
