

For Learning That Lasts A Lifetime

24th April 2026

Dear Parent/Carers of Hedgehogs Class

As part of our learning in Hedgehogs class this term, we are learning about “Long Ago”. We are looking at how the children have changed since they were babies.

We would like the children to bring in some photographs of themselves as babies so they can tell us how much they have changed. We would also like to see photographs of events that have happened in their lives e.g. walking, running, riding a bike/scooter, going on holiday etc.

Please can you bring these photographs in to school ready for the week commencing **Monday 4th May**. The lesson we need it for will be on **Thursday 7th May**. If you do not have printed photographs, then you can send them to us on Dojo or email them to the school office secretary@st-margarets-dover.kent.sch.uk who will pass them onto our class.

We look forward to seeing the baby photos.

Yours sincerely

H. Moloney C. Hoile
