

For Learning That Lasts A Lifetime

2nd June 2026

Dear Parents/Carers

SPORTS DAY

As you will know from our 'Dates for your Diary' letter published in September, Sports Day will be taking place during the afternoon on Tuesday, 23rd June 2026. Starting at 1pm the children will be taking part in different activities located at intervals across the top field. Children will be organised into House teams, with representatives from each year group forming the team. Each team will work within a time limit to score as many points as possible for their House. Following this there will be Year Group and House flat races. Points from these events will be added to the results from the relay finale to gain an overall winner.

The children will change into their PE kits and coloured house t-shirts for the afternoon and please remember, at this time of year, sun hats, water bottles and sun screen are essential.

Parents and carers are welcome to follow the progress of their child's team and where possible we have aimed to place siblings within the same groups. We ask that parents remain in an observational role as the children will be moving quickly from station to station. I am pleased to advise the PTFA will be selling cold refreshments for spectators.

Once Sports Day has finished the children will return to their classrooms to collect their belongings and be dismissed from the classroom door.

In the event of bad weather and the day having to be postponed we will notify you by Parentmail. We will endeavour to do this in good time. Monday, 29th June is being held in reserve but we hope the sun will shine on us this year!

We look forward to seeing you there!

Yours sincerely
