

For Learning That Lasts A Lifetime

10th July 2026

Dear Parent/Carers of Owls Class

After the children's tremendous efforts with the ticket sales for the end of year production, they have managed to cover the costs of the play script, licence and props and still have some money to spare.

As a result, we would like to order a Domino's pizza lunch on **Friday 17th July**, to make their last lunchtime here that extra bit special. This will be delivered to school and eaten for lunch. Children will not require a packed lunch or school dinner unless they choose not to take part.

Each child will be able to order their own 'Personal' sized pizza. There are a range of different pizzas on the website which the children will be able to choose from on Friday morning. If you'd like to look through the options with your child beforehand, please take a look at their website:

<https://www.dominos.co.uk/store/28755/dover/menu#pizza>

There are alternative options available if your child does not like pizza e.g. garlic pizza bread, chicken strippers, wings combo, chicken combo etc. If your child does not want a pizza, they may choose one of these alternative options. We will ensure dietary requirements are taken care of. Please inform us if you have any specific requests.

If you would prefer for your child not to take part in this at all, they can of course bring their own packed lunch to school on Friday as normal or order a school dinner.

Please do not hesitate to contact me if you have any queries.

Yours sincerely

K. Byatt
