Atlases

An atlas is a book of maps and charts showing different parts of the world. This page shows the continents and oceans of the world.

Compass directions

A compass is a tool for finding and showing directions. A compass has four cardinal points. These are north, south, east and west. They are used to describe locations and give directions.

Maps and keys

A map is a drawing of an area of land or sea, usually drawn from above. Map symbols represent physical and human features. A key is a list that explains what the map symbols mean.

Key

	abbey		lighthouse
	beach		museum
	bridge		parking
	bus station		place of worship
	cliff		public toilet
	forest		railway station
	information		tourist feature

United Kingdom

The United Kingdom, or UK, is an island surrounded by four seas and an ocean. The UK is made up of four countries, called England, Northern Ireland, Scotland and Wales.

Online mapping tools

Online mapping tools show maps and satellite pictures from a bird' eye view. They can be moved to show different areas and zoomed in and out to reveal different human and physical features.
